

Special Curriculum Loans

Pursuing an advanced degree is a time-consuming and often costly challenge, but essential to your professional career advancement. To support our school employee Members, we've developed Special Curriculum Loans to help cover tuition and other costs incurred while enrolled in advanced degree programs or career advancement programs.

Career and Technical Education (CTE) Credential Program loan

- provides support to aspiring and current teachers to obtain their CTE credential.

Clear Administrative Services Credential Program (CASC)

- a two year program that provides support for current administrators who are pursuing a Clear Administrative Credential.

Education Specialist Program/Teaching Credential

- provides support for teachers to pay for an Education Specialist Credential, Added Credential and Added Authorization Programs.

Paraprofessional Teacher Training Program (PTTP)

- a two year program specifically designed to assist Orange County Department of Education (OCDE) employees enrolled in OCDE's PTTP to pursue their teaching credential.
- offered to help program participants cover tuition costs.

Preliminary Administrative Services Credential Program (PASC)

- a one year program designed for educators who want to pursue a career in administration (principal).

Teacher Certification Loan

- designed to assist teachers from any school or district, who are pursuing an advanced certification from the National Board for Professional Teaching Standards (NBPTS).

Teacher Induction Loan

- helps teachers who are pursuing a California Clear Teaching Credential pay for General Education and/or Education Specialist Credentials Induction program expenses.

Doctorate of Education in Educational Leadership

- a three-year program for school employees enrolled in the CSU Doctorate of Education in Educational Leadership program and provides financial support for the program's tuition, textbooks and fees.

Masters in Speech and Language Pathology

- a two-year program for enrollees of any Masters in Speech and Language Pathology advanced degree program. Candidates will have an employment agreement with their district office.
